Participation in a Regional meeting of JICA alumni Balkans, the Balkan region, held on 29 and 30 October 2009 in Tirana.

The aim of the meeting was to exchange experiences of JICA Alumni Associations member states of the Balkans and the formation of working groups on various areas, important to developing member countries and discussion of plans for future activities. At this meeting JAAK as newest Association, was represented by the Secretary of thanks, Mr. Halit Xhema and board member Mr. Hasan productions.

To enhance regional cooperation, at the close of the meeting was set common goals, plans and activities to be pursued, along with their distinct activities.

Seminar- Investigation of Explosions and Bombing Scene, their analyses

To convey the experience obtained from training in Japan, followed by various institution members of the Republic of Kosovo, JAAK on 11th February 2009 in Prishtina, organized the first workshop; Investigation of Explosions and Bombing Scene, their analyses.

Presentations were made by Sokol Dedaj, Kosovo Police officer and former JICA trainee. Objective of this seminar has been recognized with types and techniques and specific cases of explosion. The seminar was attended by 33 participants from relevant institutions of Kosovo; from among the police of the Republic of Kosovo, Ministry of Interior, Ministry of Environment and Spatial Planning and the representatives of JICA, who welcomed an opportunity to present words.

Presentations made high interest stimulated by the participants, who were associated with numerous questions and discussions. At the end of the workshop were raised conclusions that flow from its participant.

JICA cooperation with the Republic of Kosovo Institutions

When the bilateral collaboration between Japan Government and Kosovo Government were established, it was agreed that Japan will support Kosovo in two fields, in Human Resource Development and Environmental Protection.

In this context, representatives of the Japanese International Cooperation Agency (JICA), conducted a series of meetings with various institutions of Kosovo, to be familiar with the situation and problems of these fields.

Environmental issues will be on the agenda of the Japanese International Cooperation Agency

On 2.02.2010, a meeting was held with the Minister of the Ministry of Environment and Spatial Planning, Mr. Mahir Yagcilar, who presented the priorities for improving the environmental situation and thanks Mrs. Yasuda for the visit and the willingness to offer their support and assistance.

Mrs. Yasuda said, "Our goal is to offer assistance in the field of environment, thus helping from Japanese International Cooperation Agency (JICA), will not be absent but would only intensify each time more and more"
